AUXILIARY BISHOP

November 7, 2014

Mr. Roger Santos
Couples for Christ
315 W. Maple Avenue
Monrovia, CA 91016

Dear Mr. Santos,

You recently requested recognition and permission for *Couples for Christ* to minister within the Diocese of Sacramento. In my capacity as Auxiliary Bishop of the Diocese of Sacramento, I met with you to discuss and review the organization.

After reviewing your activities and programs, Bishop Jaime Soto, is granting *Couples for Christ* recognition here in the Diocese of Sacramento. Its leadership team will be in communication with and accountable to our Associate Director of Family & Respect Life Ministries, Steve Patton. I invite pastors to consider *Couples for Christ* in their parishes, so that this ministry, subject to the pastor's direction and supervision, can assist in strengthening families.

Please be assured of my prayers.

In the Peace of Christ,

+Myron J. Cotta
Auxiliary Bishop
Diocese of Sacramento
