

Good afternoon, Notre Dame Community,

So many of you have expressed interest in helping those in our community affected by the fires, and I want to sincerely thank you for your willingness to give of your time, talent, and treasure to lend support to one another.

If you would like to help, Notre Dame School will be collecting gift cards between now and Friday afternoon. These gift cards will go to those in our school, parish, and larger communities who have been affected by the fires.

Though we will accept cards of any kind, the following have been mentioned to us as being most helpful:

Target
Walmart
Home Depot
Lowe's
Amazon
Grocery Stores

Gift cards can be dropped off in the school front office between the hours of 8:00am and 4:00pm.

Important note: if your family is in need of assistance, I strongly encourage you to reach out to our relief team at help@notredamevacaville.org. Communication between you and our team will be kept private and discreet.

Another important note: We have received word that there are scam emails out there appearing to come from Fr. Joshy or other members of our parish/school community. These scammers often ask for gift cards and for the numbers to be sent electronically--do not engage with them or purchase cards on their behalf. You will know it is legitimate if it comes from me via SchoolSpeak and/or my Notre Dame email, and we will only be collecting the gift cards on-site, not over email.

Thank you again for your willingness to help our community members.

Please stay safe, be assured of my prayers, and reach out to me with any questions, comments, or concerns.

Pax Christi
