REFLECTION

From today to the end of November, we celebrate a nearly unbroken string of Sundays in Ordinary Time. However, let this not be a sign that nothing special happens until Advent begins. Ordinary Time is merely the period outside the climactic seasons of Christmas and Easter and the preparatory seasons of Advent and Lent. It is a time to explore the earthly life and ministry of Jesus between his birth and his death and to grow as a Christian disciple. Today we hear Jesus tell his disciples, "The harvest is abundant but the laborers are few." Let us listen prayer-fully so we may discern how he is calling us to be those laborers today.
